

Adobe Certifications

pTEC (Clearwater Campus) is currently offering an opportunity for you to be industry certified in Dreamweaver, Flash, and Photoshop.

Specific requirements to qualify for the free certifications:

→You must either be enrolled or have recently completed Dreamweaver, Flash, or Photoshop while enrolled at pTEC.

→You must take a pre-test for Dreamweaver, Flash, or Photoshop and obtain a score of 800 or higher.

→Pre-tests are administered at pTEC between the hours of 7:00 a.m. and 12:00 p.m. Monday – Friday (evening hours are available by appointment only).

→Certification tests are administered at pTEC between the hours of 7:00 a.m. and 11:00 a.m. Monday – Friday (evening hours are available by appointment only).

→These are **not** open-book tests and no external resources may be used.
